

JFrame

```
graph BT; A[es.deusto.spq.gui.AdminUsers Window] --> B[JFrame];
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'JFrame'. Below it is a larger box labeled 'es.deusto.spq.gui.AdminUsers Window'. A blue arrow points from the bottom of the 'es.deusto.spq.gui.AdminUsers Window' box up to the bottom of the 'JFrame' box, indicating that 'es.deusto.spq.gui.AdminUsers Window' inherits from 'JFrame'.
