

es.deusto.spq.UserTest.test
SetGetPassword

```
graph LR; A[es.deusto.spq.UserTest.test<br/>SetGetPassword] --> B[es.deusto.spq.User.getPassword]; A --> C[es.deusto.spq.User.setPassword];
```

The diagram illustrates a test method, `es.deusto.spq.UserTest.testSetGetPassword`, which is shown in a grey box. Two blue arrows originate from the right side of this box, pointing to two separate white boxes. The top white box contains the text `es.deusto.spq.User.getPassword`, and the bottom white box contains the text `es.deusto.spq.User.setPassword`. This visualizes the test method's interaction with the `getPassword` and `setPassword` methods of the `es.deusto.spq.User` class.
