

es.deusto.spq.OrderTest.test
SetGetDate

```
graph LR; A[es.deusto.spq.OrderTest.test<br/>SetGetDate] --> B[es.deusto.spq.Order.getDate]; A --> C[es.deusto.spq.Order.setDate];
```

The diagram illustrates a test method, `es.deusto.spq.OrderTest.testSetGetDate`, which is represented in a grey box. Two blue arrows originate from the right side of this box, pointing to two separate white boxes. The top white box contains the text `es.deusto.spq.Order.getDate`, and the bottom white box contains the text `es.deusto.spq.Order.setDate`. This visualizes the test method's interaction with the `Order` class's `getDate` and `setDate` methods.
