

es.deusto.spq.Assessment
Test.testSetGetText

```
graph LR; A["es.deusto.spq.Assessment  
Test.testSetGetText"] --> B["es.deusto.spq.Assessment.getText"]; A --> C["es.deusto.spq.Assessment.setText"];
```

The diagram illustrates a test method, `Test.testSetGetText`, which is part of the `es.deusto.spq.Assessment` class. This test method is shown in a grey box on the left. Two blue arrows originate from the right side of this box, pointing to two separate white boxes on the right. The top white box contains the text `es.deusto.spq.Assessment.getText`, and the bottom white box contains `es.deusto.spq.Assessment.setText`. This visualizes the test method interacting with the public methods of the class under test.
