The diagram illustrates a test method, `es.deusto.spq.RoomTest.testSetGetId`, which is represented in a grey box. Two blue arrows originate from the right side of this box, pointing to two separate white boxes. The top white box contains the text `es.deusto.spq.Room.getId`, and the bottom white box contains the text `es.deusto.spq.Room.setId`. This visualizes the test method's interaction with the `Room` class's `getId` and `setId` methods.
