```

The diagram illustrates a test method, `es.deusto.spq.RoomTest.testSetGetSeats`, which is represented in a grey box. Two blue arrows originate from the right side of this box, pointing to two separate white boxes. The top white box contains the text `es.deusto.spq.Room.getSeats`, and the bottom white box contains the text `es.deusto.spq.Room.setSeats`. This visualizes the test method's interaction with the `Room` class's `getSeats` and `setSeats` methods.
